

Build a Home for Figures

Ages 5-10 · 30 min · Small group

Learning intention

This experience supports children to collaborate and share in play, and to use imagination to create.

You'll need

- Building bricks
- Small figures for play afterwards

How to do it

1. Children are challenged to build a house the figures can 'live' in.
2. Encourage doors, windows and rooms.
3. Children work together, sharing bricks and ideas.
4. Once built, children use the figures to play in their houses.

Framework links

MTOP

- **4.1** Children and young people develop a growth mindset and learning dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity
- **5.1** Children and young people interact verbally and non-verbally with others for a range of purposes

NQS

- **5.2.1** Collaborative learning - Children are supported to collaborate, learn from and help each other.
