

Coconut Cookies

Ages 6–12 · 45 min · Small group

Learning intention

This experience supports children to measure and combine ingredients, and to follow spoken and written steps.

You'll need

- Self-raising flour
- Caster sugar
- Desiccated coconut
- Melted butter
- Milk
- Vanilla essence

How to do it

1. Children mix the dry ingredients together.
2. Add the melted butter, milk and vanilla, and combine into a dough.
3. Roll into small balls and flatten onto a tray.
4. Bake until lightly golden and let cool.

Framework links

MTOP

- **4.2** Children and young people develop a range of learning and thinking skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating
- **5.1** Children and young people interact verbally and non-verbally with others for a range of purposes

NQS

- **2.1.3** Healthy lifestyle - Healthy eating and physical activity are promoted and appropriate for each child.

Get hundreds of NQF-aligned activities, 1-click planning, link children, track NQF outcomes for each child, AI educator observations and reflections. Make NQS 1 portfolios easy with One Child.
