

Nature Contact Frames

Ages 5-10 · 30 min · Small group (outdoors)

Learning intention

This experience supports children to express creative ideas and to connect with the natural world.

You'll need

- Paper
- Scissors
- Clear contact paper
- Leaves and natural items

How to do it

1. Children draw and cut a shape into a sheet of paper, like a frame.
2. Press the frame onto clear contact paper, sticky side up.
3. Decorate inside the frame with leaves and small natural items.
4. Seal and display the finished piece in a window.

Framework links

MTOP

- **4.1** Children and young people develop a growth mindset and learning dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity
- **2.4** Children and young people become socially responsible and show respect for the environment

NQS

- **3.2.1** Inclusive environment - Outdoor and indoor spaces are organised and adapted to support every child's participation and to engage every child in quality experiences in both built and natural environments.

Get hundreds of NQF-aligned activities, 1-click planning, link children, track NQF outcomes for each child, AI educator observations and reflections. Make NQS 1 portfolios easy with One Child.
